ENVIRONMENT

HEALTHY HOME

THE HIGH-STANDARDS OF TORLYS FLOORS

- All TORLYS floors and underlays are CARB compliant and meet the Healthy Home requirements set by the European (E1) and California (Section 01350) indoor air quality standards—the most stringent in the world.
- Many TORLYS floors come with recycled cork backing for comfort, and include Microban® antimicrobial protection to inhibit the growth of odour causing bacteria, mould and mildew.
- TORLYS products contribute to LEED® (Leadership in Energy and Environmental Design) in three areas —materials and resources, indoor environmental quality, and innovation and design.

- Do more with less—we produce up to 30 times more hardwood flooring from a single tree than other flooring companies.
- Sustainable—we source hardwood from managed forests.
- Repurpose—every TORLYS floor can be disassembled and re-used in another room or home. You can even donate it to a local Habitat for Humanity® ReStore.

MAINTENANCE

KEEP YOUR TORLYS SMART FLOOR LOOKING BEAUTIFUL

- Dust mop (with a non-treated, clean mop) or vacuum regularly to remove loose soil and wipe up spills quickly with cloth or sponge.
- Clean as required with TORLYS Natural Glow Eco-Friendly Cleaning Kit.
- Only use TORLYS maintenance products. Never use wet mops, highly acidic or alkaline cleaners, non-recommended commercial cleaners or polishes, or a treated mop that has been used to clean other floors or furniture.
- Use floor-protector pads on furniture feet. Protect your floor from hard castors on moveable furniture.
- Use caution when wearing high heels as they can dent hardwood. Keep your pet’s nails trimmed.
- Use entry-way (non-skid cotton) mats to capture tracked-in-dirt and soil, and clean them regularly. Rubber or fiber-backed mats may stain or scratch floor finish.

MAINTAIN HUMIDITY IN YOUR HOME

TORLYS smart floors are natural products. Use a humidifier or dehumidifier to regulate humidity (30 – 60%) and minimize expansion and contraction. This is required to preserve your floor.

TORLYS NATURAL GLOW® ECO-FRIENDLY CLEANING KIT

TORLYS eco-friendly cleaning products are biodegradable (with no VOCs) and fragrance free. Clean your floor as required with this easy-to-use kit.

TORLYS DRESSING

A specially-formulated biodegradable coating that helps revitalize and protect your TORLYS hardwood floor.
